

Consumer Reports teamed up with Massachusetts Health Quality Partners (MHQP) to survey Massachusetts residents about their primary care physicians. They surveyed close to 50,000 adults and 16,500+ parents about their experiences with their doctors.

North Shore Physicians Group earned top scores for adult primary care practices at six locations.

The chart below details the criteria patients used to rate their primary care physicians.

Ratings of practices for adults In collaboration with MHQP

Based on patient experience In alphabetical order, within regions and towns

Town	Practice Name	Address	Willingness to Recommend		Performance				
			0%	100%	How well doctors communicate with patients	How well doctors coordinate care	How well doctors know their patients	Getting timely appointments, care, and information	Getting courteous and respectful help from office staff
NORTHEAST MASSACHUSETTS
